

Directions

CHARLES B. WANG CENTER Main Campus, Stony Brook University Stony Brook, NY

Long Island Expressway to exit 62. Follow Nicolls Road (Route 97) north for 9 miles. The main entrance to the University is on the left. Turn left into the campus and proceed to the traffic light. Turn right at the light on to Circle Road. Pass The Wang Center and John S. Toll Drive on the left. Make your first right into the parking field. Special arrangements have been made for conference attendees to park in this lot. The Wang Center is the large gray building with red entryway fencing, and is also noted for the modern representation of a Pagoda on the rooftop.

Special Guest Speaker

Ray Negron is the author of the inspirational children's book *The Boy of Steel: A Baseball Dream Come True*. Ray grew up in the Bronx. When he was a teenager, he was caught spraying graffiti on

the side of Yankee Stadium, and was put to work by Yankees owner George Steinbrenner. Negron became a Yankee batboy, played minor league ball, and then went to work for the Yankees and the Cleveland Indians. Now a special advisor to Steinbrenner, Negron lives in Florida with his four children.

Objectives

The participant will acquire important information regarding childhood cancer:

- Overview of Common Pediatric Cancers
- Common Side Effects of Treatment
- Medical & Educational Issues
- Preparation for School Re-entry
- Neurocognitive Late Effects
- Emerging Technology & Innovative Distance Learning
- Community Resources
