**SIFI is required for all first time field instructors. In addition, SIFI may be required for field instructors who have not completed the SIFI at a Greater New York Metropolitan Area School of Social Work. Field instructors who supervise graduate students must have an MSW degree from an accredited graduate school of social work and at least three years post-master's supervised experience in social work. Field instructors of BSW students must have an MSW degree from an accredited graduate school of social work and at least two years of post-masters supervised experience in social work.**

*Complete the following by placing a check at the day you will attend. We will attempt to accommodate your first choice but in the event that section is closed, please indicate your availability for a second choice.*
